The sword, however, was not to be found so easily. YOU'RE SEARCHING FOR A WAY TO BE FRIENDS WITH HIM.
THAT'S SO YOU, HATSUNE.

YEAH, GREAT BREEZE!
WE DON'T HAVE AIR-CON IN OUR DORM,

OUR DORM IS A BIT RUN DOWN THOUGH.

BUT IT'S A SURPRISINGLY GOOD DORM.

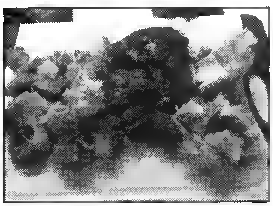
○ Kikka Academy Dorm no#1 Cafeteria ○

Recipe 1: "Submarine Curry"

Beef, pork and chicken are all included!!
You can recreate Hatsune's beloved "Submarine Curry" here.
Please enjoy the sweet, rich taste!

[Ingredients (serves 4-5)]



100g beef, 60g middle-grade pork, 60g chicken,

300g onions, 150g carrots,

300g potatoes and taro roots (*adding taro root is a Kikka Academy dorm no#1 thing!!)

6g garlic, 8g ginger, 65g canned whole tomatoes,

40g apples, 30g bananas, 20g honey,

15g butter, 250g curry roux,

4g curry powder, 4g garam masala,

Black pepper to season (*not a good idea if serving to small kids)

23ml white wine, 40ml milk, water (as required), bay leaves (to taste)

6ml medium strength bulldog sauce, 6ml worcestershire sauce,

10ml yakiniku sauce, 30g plain yoghurt

[Method]

[1]

Wash the onions, carrots, potatoes, taro root, garlic and ginger in cold water, clean and peel.

[2]

(1) Finely chop the garlic and ginger.

(2) Dice ⅔ of the onions.

(3) Dice the beef, pork and chicken.

(4) Dice the potatoes and taro roots.

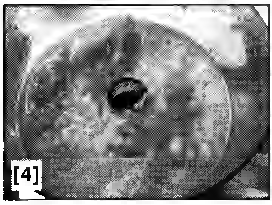
(5) Quarter ⅔ of the carrots.

(6) Grate the apple, including the skin.

[3]

Add (2) to a pot and fry in canola oil for 1 hour.

Add (1) and (3) and fry well, then add the curry powder, garam masala and black pepper to infuse flavor.

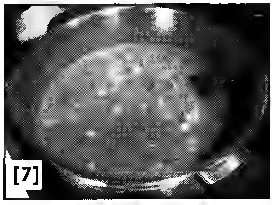


[4]

Mix ⅓ of the onions, ⅓ of the carrots, the bananas and the whole chopped tomatoes, and add water. Blend until fine.

[5]

Combine **[3]**, **[4]** and (6) in hot water, adding the bay leaves. Simmer until the ingredients soften.



[6]

When **[5]** is cooked, add the carrots and (4), and simmer once more.

[7]

Remove from heat. Add the curry roux, bulldog sauce, worcestershire sauce, yakiniku sauce, honey, white wine and plain yoghurt to season.

[8]

Return to the heat, then blend, adding butter and milk to season.

T/N* In the original Japanese, step [6] says "add the carrots and (5)" but that can't be correct, because the carrots are (5). We are certain it should be (4) because that is the only item from [2] that remains unused in these instructions. This error seems to have originated from the source the website mentioned below.

Then it's ready!! Bon appetit!

Fujishima-san tried this dish!!

[Feedback] It's got quite a fruity flavor. It's pretty sweet, almost as if it were a dessert.

I've never tried anything quite like this before, but even though it's so sweet, it still counts as curry. Quite impressive. The meat was a little chewy, so it might be better to cook it in a pressure cooker beforehand, or even just use mince instead.
